

KIDS YOGA PARTIES

Kids yoga parties are a fun and unique way to celebrate your little yogis special day. We will organize your event and create a customized party coordinated around your theme. We have 2 spacious rooms to accommodate both the yoga as well as a place to set up for gift exchange, snacks, balloons and any other post-yoga activities you may want.

Choose your theme:

- * yoga birthday party
- * yoga princess party
- * yoga dance party
- * yoga artist party

All parties are 90 minutes in length and include:

- Exclusive use of the studio and facilities, including bathrooms, changing rooms, party room and main reception
- A 45 minute yoga class
- Mats and all essential props
- A special Sacred Space birthday gift for the birthday boy/girl

Party packages prices start at \$300 for 10 children (\$15 for each additional child). Contact the studio at 301.231.0022 for more information.
